  (Only required for a manual installation on the network license server)

Release PostgreSQL Provider 4.1.0 in detail

> 🚀 **AutoCAD Map 3D 2024 is now supported by the PostgreSQL provider.**

Infrastructure connection provider

- When creating a dump of PostgreSQL in Autodesk Infrastructure Administrator, a filename with timestamp in 24-hour format is now suggested.
- The flat feature search now works in AutoCAD 2024 with number columns under PostgreSQL databases.

PostgreSQL tools

- The version of the embedded PostgreSQL utilities was updated to support PostgreSQL 15.

Licensing

- The version of the network license server by Revenera is being updated from Version 2022.09.0 to 2023.10.0.
- There was an error when creating the request file for the offline activation of a licence in the network licence server. This error has been fixed.
- A spelling error in the TKI licensing has been fixed.
