# PostgreSQL Provider 4.2.0 and 4.2.1 (English)

## Summary

The new version of the PostgreSQL Provider now supports NET 14.

In addition a new one-click-maintenance has been added that allows checking and initializing materialized views in the database if required

> ℹ The support for Autodesk AutoCAD Map 3D 2025 is delayed until the upcoming major overhaul of the PostgreSQL provider. This new version is planned for early 2025.

## Supported Software

- Autodesk AutoCAD Map 3D
    - Autodesk AutoCAD Map 3D 2023.0.4 - Autodesk AutoCAD 2023.1.6
    - Autodesk AutoCAD Map 3D 2024.0.1 - Autodesk AutoCAD 2024.1.6
- TKI NET 14.0 or later
- TKI Lizenzierung 14.0
  (Only required for a manual installation on the network license server)

> ℹ The specified versions for Autodesk AutoCAD and Map 3D are the ones for which NET was developed. Generally, newer versions can also be used. However, there have been occasional updates in the past that caused crashes in NET.

## Release PostgreSQL Provider 4.2.0 and 4.2.1 in detail

### One-click-maintenance

- A new one-click-maintenance for PostgreSQL databases has been added. It will check the database for materialized views and update them if necessary. This will avoid problems in the infrastructure projects caused by materialized views in a uninitialized state.
